Power On/Off

- Power On: Turn the ON/OFF knob clockwise (voice prompt will indicate remaining battery percentage)
- Power Off: Turn the ON/OFF knob counterclockwise until you hear a click

Bluetooth Pairing

1. Enable Bluetooth on your device and search for "Wolf Apex BT".
2. Select and pair. Once connected you will hear the voice prompt: "Bluetooth Connected."
3. If the Bluetooth pairing fails within 2 minutes, a voice prompt "Pairing Failed" is heard.

Ensure your WOLF Apex BT and your device is within 20m distance of each other.

If the Bluetooth pairing fails within 2 minutes, a voice prompt "Pairing Failed" is heard.
